

67TH ANNUAL
NEW YORK
EMMY[®] AWARDS

October 26, 2024

CELEBRATING YOU & TEAM WORK

Winning and Nominated entries are made of many people, sometimes more than the names that are included on the entry form. To recognize and reward team members, order a Commemorative Statuette or Nomination or Contribution Award.

Visit societyawards.com/newyorkemmys or email awards@nyemmys.org to place your order. All pricing below includes personalized copy. Shipping is included. Taxes, if applicable, are additional.

STATUETTES - INDIVIDUAL & COMMEMORATIVE

Individual Recipient Statuette \$275.00

Each Emmy® Award-winning entry receives a gratis statue, which is the one received at the podium during the ceremony. Additional individuals who are listed on the final press release of Emmy® Award-winning recipients may order a statuette. Others who are not statue-eligible but who made significant contributions to the award-winning entry may order a contributor plaque to memorialize their achievement

Commemorative Statuette \$350.00

Stations, studios and production companies may order a Commemorative Emmy® statuette for public display at your place of business.

NOMINATION PLAQUES

Nominated Entries may order a rosewood plaque (10" x 8") or translucent, curved art glass (10" x 7") personalized with your name and recognizing your work on an Emmy® Nominated work.

Rosewood Nomination Plaque
 \$125.00

Curved Art Glass
 \$175.00

CONTRIBUTOR PLAQUES

Contributor awards are for individuals who made a significant contribution to a winning piece and were not listed on the original entry.

Orders are subject to review and approval. 10-1/2" x 13" plaque with engraved plate or personalized life size Emmy statuette.

Rosewood Contributor Plaque
 \$150.00

Contributor Plaque with Statuette
 \$350.00

Mission Statement

The National Academy of Television Arts & Sciences, New York Chapter conducts activities that cultivate, promote, and encourage understanding of, appreciation for, and public interest in the arts, crafts and sciences of television.

As a professional organization serving the New York area, we endeavor to educate and act as a resource to our members and the industry.

We award the Emmy® for talent and ability in composition, creation, and performance of works which strive to improve the quality of television.

Tonight, we recognize outstanding achievement, we encourage the pursuit of excellence and promote the highest standards of quality in professional, technical, and personal achievement in the arts and sciences of television by conferring the industry's classic, and most coveted peer-recognition symbol of distinction, the Emmy®.

A Message from the Chapter

Welcome to a celebration of excellence.

The coveted Emmy® is the industry's classic and most coveted symbol of accomplishment.

This year, at our 67th Annual NY Emmy® Awards gala and our Creative Arts Ceremony, we will present Golden Lady Statuettes in 183 categories, and 38 at our 2nd Annual NY Sports Emmy® Awards.

Never in more than sixty years has the New York Emmy® Awards been as competitive as it is now. Of 2,142 entries from all across the region, judges determined that more than 900 were worthy of winning nominations. That is a testament to the outstanding quality of your work.

Often, we are asked who is judging our work. This year we exchanged judging assignments with 13 of our 18 sister chapters, including Chicago, Boston, Atlanta, Dallas, Philadelphia and Washington, DC.

At our award ceremonies this year the New York Chapter is pleased to bestow its highest honor, a Governor's Award, on three distinguished broadcast legends, Bob Woodruff, Mike Breen and Walt "Clyde" Frazier

Woodruff is a foreign correspondent extraordinaire at ABC News. From North Korea to Africa and Europe, there's hardly a place in the world he hasn't been. He has distinguished himself through his insightful reporting, as well as his will to live. His is a profile in courage, having survived traumatic injuries from a roadside bomb in Iraq and return to reporting at the highest level. At our gala, we are delighted to add the Chapter's Governor's Award to his many honors.

At our Sports Emmy® Award ceremony, the most dynamic NBA broadcast team of Mike Breen and Walt "Clyde" Frazier are also the 2024 recipients of the NY NATAS Governor's Award. Recently they marked over 25 years as television broadcast partners on MSG Networks, calling more than a thousand New York Knicks games together. In his basketball career, Frazier is named one of the 50 greatest players in NBA history. Breen was inducted into the Naismith Memorial Basketball Hall of Fame in 2021,

With our 67th Annual Ceremony falling on the weekend many are observing Halloween, we would be remiss if we didn't offer a Halloween themed Governor's Afterparty following the Saturday night ceremony. Join us at the Hard Rock Café where there will be an open bar, food, music, dancing and masks for all.

These award ceremonies would not be possible without your support and the hard work of our Executive Director Mike Kostel, Events and Awards Director Arnold Miller, our Chapter President David Stern, our volunteers, our Awards Committee, and our Board of Governors.

Good luck to our more than 2,000 nominees, and congratulations to those of you who receive the coveted Golden Lady named EMMY®!

The Governors of the New York Chapter Honor

Bob Woodruff

Each year, the Governors award an Honorary Emmy® to recognize outstanding achievements that are extraordinary and unique, falling beyond the scope of our annual Awards.

This year, we honor a broadcaster and journalist whose accomplishments are truly deserving of this distinction..

Bob Woodruff is one of the most accomplished broadcast journalists of his generation. His intrepid career with ABC News has taken him from the Asia-Pacific to the Middle East—from disaster zones to war zones and political uprisings.

Woodruff speaks fluent Mandarin, and he joined ABC News in 1996 after serving as an interpreter for CBS News during the Tiananmen Square protests in Beijing. In the years that followed, Woodruff would chronicle many of the world's momentous events in a series of overseas assignments.

In December of 2005, he and Elizabeth Vargas succeeded Peter Jennings as co-anchors of ABC's World News Tonight. Within weeks, he was critically-wounded while on a late night mission with the Iraqi Army after their convoy struck a roadside bomb, north of Baghdad.

Woodruff suffered a traumatic brain injury and was kept in a medically-induced coma for 36 days. After a heroic, painstaking recovery, he returned to television in February 2007. In an hour-long, prime-time documentary, *To Iraq and Back: Bob Woodruff Reports*, he chronicled his devastating injury, his remarkable recovery and the plight of thousands of service members returning from Iraq and Afghanistan with similar injuries.

That same year, Woodruff and his wife, Lee, co-wrote and published, *In an Instant*. Their inspirational, intensely personal memoir documents the triumphs and challenges of Woodruff's recovery and his family's perseverance through many months of pain and uncertainty. Sensing a need for greater outreach, the Woodruffs established the Bob Woodruff Foundation to raise money to assist injured service members, veterans and their families.

In 2023, alone, the Foundation invested over \$9 million in 120 programs and services that helped over 20,000 veterans, active service members, and military families. On November 11th, the Woodruffs will host their 18th annual Stand Up for Heroes fundraiser at Lincoln Center's David Geffen Hall.

As Woodruff approaches his 30th year at ABC News, he is the network's principal correspondent covering events throughout the Asia-Pacific. In particular, he has traveled to North Korea eight times in addition to his multiple assignments in South Korea, China, Japan and The Philippines.

Woodruff has been honored with many of the most prestigious awards in broadcast journalism, including the Alfred I. duPont Columbia University Award, The George Foster Peabody Award and multiple Emmy Awards.

Tonight, in honor of his extraordinary career and his enduring and compassionate contributions to military veterans and wounded service members, the Board of Governors of the New York Chapter of the National Academy of Television Arts & Sciences is proud to honor Woodruff with the 2024 Governors' Award.

CONGRATULATIONS
TO ALL OF
TONIGHT'S WINNERS.

The Judging Process

The determination of broadcasting excellence culminating in the awarding of the New York Emmy® is the work and responsibility of the dedicated judges who comprise Blue Ribbon Panels.

This year, the Emmy® Awards were judged by Blue Ribbon Panelists from local television stations, networks, cable services, and independent production facilities who were often themselves Emmy® winners. Careful attention was paid to impaneling judges who would represent a balance of news, programming, and sports areas together with various craft disciplines. Additionally, The National Academy of Television Arts & Sciences is dedicated to composing panels that ensure Spanish language entries are judged by speakers fluent in Spanish and several bilingual panels are judged those fluent in both.

Screening sessions were conducted with the utmost discretion and impartiality, and entries were judged to standards of excellence, in accordance with the guidelines set forth by the National Awards Committee of The National Academy of Television Arts & Sciences. In all, the panels screened hundreds of hours of programming from over 2142 entries. From those, 992 nominees were selected in 222 categories. All entries aired between January 1, 2023 and December 31, 2023

At the completion of all screenings, the independent firm of Lutz & Carr, Certified Public Accountants, LLP, tabulated the ballots and verified qualification certificates. An Emmy® is conferred when a total point score reaches a specific cut off point; if this cut-off point is not reached, no award is given.

**This year's entries were judged by panels
assembled by the following National
Academy Regional Chapters:**

**BOSTON/NEW ENGLAND,
CENTRAL GREAT LAKES CHICAGO/MIDWEST
LONE STAR, MID-AMERICA, MID-ATLANTIC,
NATIONAL CAPITAL/CHESAPEAKE BAY,
NORTHWEST, OHIO VALLEY,
PACIFIC SOUTHWEST,
ROCKY MOUNTAIN/SOUTHWEST, SOUTHEAST,
SUNCOAST AND UPPER MIDWEST**

The National Academy of Television Arts and Sciences, New York Chapter would like to thank the Tri-State area judges that participated throughout 2024 and recognize them for their commitment to the Chapter. Our members judged thirteen other Regional Chapters' entries, the most by any other Chapter. Without your support and willingness to judge, our peer-to-peer contest, would not be able to succeed.

Thank you all.
