CITATIONS OF MERIT

WNBC-TV

To WNBC-TV for televising a series of 20 programs relating to the causes, consequences and possible cures of the current narcotics crisis in the metropolitan New York area through their 22-day DRUG ALERT project.

WNBT

To WNBT for a thorough presentation of the facts behind the new New York State abortion law and how it affects New York State residents through the special program HOW TO GET AN ABORTION (IF YOU WANT ONE).

WNYE-TV

To WNYE-TV for encouraging young new writers by providing full-scale productions of their works through the series FEATURE STORY.

WOR-TV

To WOR-TV for presenting to the New York area voters an 18½-hour pre-Election Day special encompassing commentaries on the candidates' presentations, explanations of proposed amendments and general voter information on BEFORE YOU VOTE.

WPIX-TV

To WPIX-TV for performing a unique community service with the cooperation of the New York City Department of Health in directing to children the message that each child should be inoculated against rubella, making the 30- and 60-second spots available to other community stations, and resulting in over 500,000 inoculations.
